

Press release

Eiffage Construction appoints three new regional directors **Gwendal Gautier – Regional Director Greater-West** **Edouard Dubost – Regional Director East** **David Lebot – Regional Director Centre-East**

Gwendal Gautier has been Regional Director Greater-West since 1 July 2023, when he took over from Pascal Portier.

A graduate of the ESTP School for Major Projects, Gwendal Gautier began his career with Eiffage Construction 26 years ago as a works supervisor before progressing through various management positions. He became part of the ETPO Group in 2018 before rejoining Eiffage Immobilier in 2021 as Director of the Greater-West region.

On 1 September 2023, Edouard Dubost became Director of the East region alongside his existing role as Regional Director North-West, which he has held since 2018.

An alumnus of the Mines de Douai graduate engineering school with a DUT degree in Civil Engineering, Edouard Dubost began his career in 2000 as a works supervisor, before joining Eiffage Construction in 2004 as Senior Works Supervisor. He went on to hold various management positions in Ile-de-France before taking the helm at Pradeau Morin.

From 2 October 2023, David Lebot succeeds Michel Chenevat as Regional Director Centre-East.

A graduate of the ESTP School for Major Projects and former Regional Director East for Eiffage Construction, David Lebot rejoined the Eiffage Group in February 2017 as CEO of Eiffage Construction Poland, drawing on his 22 years' experience in the construction sector in France and internationally.

About Eiffage Construction

Eiffage Construction incorporates the complementary business lines of urban planning, property development, construction, facility management and maintenance. The company is strongly established in France with eight regional divisions, and also in Belgium, Luxembourg, Switzerland and Poland. Eiffage Construction generated revenue of €4.4 billion in 2022.
